U++ - Bug #853
Assist Alt+J gives priority to external struct instead of method

09/10/2014 10:52 AM - Miroslav Fidler

Status:	Approved	**Start date:**	09/10/2014
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:		**Estimated time:**	0.00 hour
Target version:		**Spent time:**	0.00 hour

Description

C:\u\nos\trunk\NosSale\PPCImport.cpp

```
Ins(spid, day, w, s.imps, s.clicks, s.price);
```

Jump on Ins goes to struct Ins, but Ins is method of 'this'...
