Hello all

Just some issues I would like to be talked in the meeting:

- Bazaar structure
Many packages. Perhaps it is time to structure them in directories
- Web translation status
Where are we, where we go
- Scatter control (Andrei Catalin)
Status, Santa Claus letter, Scatter supporters
- AESStream (Mindtraveller)
Just a little of propaganda
- Xmlize
Just a little of propaganda
- Launchpad (dolik.rce)
Status, where we go
