Target version:	Release 2021.1	**Spent time:**	0.00 hour

Description

The right corner button is out of window. I belive the two buttons should be part of regullar layout, not added via code injection like we do it today.

History

#1 - 04/25/2017 11:01 PM - Zbigniew Rebacz

- Subject changed from FileSel layout glitch on Windows 10 to FileSel layout glitch on Windows 10 (Create directory button out of window)

- Priority changed from Normal to High

The bug affects multiple application, so the priority is high.

#2 - 05/06/2017 06:49 PM - Zbigniew Rebacz

It seems that this bug could be dpi depended. On my desktop PC it is not reproducible.
