silverx wrote on Wed, 29 June 2011 16:36I added a button, and then did the SimpleWindow.lblA = "abc"; and I get the error again.

Attached is the changes, and I still get the error message.

Just use

```
lblA ="abc";  
or  
lblA.SetText("abc");
```

without SimpleWindow. in front of control.

Regards,
Luigi
