Hello Tom,

I am glad that it works for you.

Since SSH package has now passed the technical-preview stage, and has a mostly stable API, I am opening a new topic on the Bazaar section and officially announcing it as a SSH supplement for Ultimate++ core library.

From now on you can always find latest version, help, and SSH package-related news there:

<https://www.ultimatepp.org/forums/index.php?t=msg&th=10172&start=0>

Best regards,
Oblivion
