Hi, sorry.
I have forgett to say that I whant to print documentation of Upp!!!

the manual !!!
[http://www.ultimatepp.org/www\\$upweb\\$documentation\\$en-us.htm](http://www.ultimatepp.org/www$upweb$documentation$en-us.htm) I

bye

The documentation is also available in TheIDE and you could easily print it. Press F1, select which topic you want, then press the print button from help toolbar.
