Target version:		Spent time:	0.00 hour
Description			
Simply type:			
Thread::GetCur(assist)			
Is not detected by the assist.			
Tested on POSIX - maybe on Windows it works because there is			

History

- Assignee changed from Miroslav Fidler to Zbigniew Rebacz

There is no such method as

Thread::GetCurrentThreadId()

There exists

Thread::GetCurrentId()

which seems to be listed correctly.

- #3 - 11/17/2017 12:57 AM - Zbigniew Rebacz
- Status changed from New to Approved

Yes it works - i tested it 7 months ago and it doesn't work, so something should fix it.
