Description

Hi, I did a few doc updates in Core/Callbacks and CtrlLib/Toolbar, mostly related to cross-references.

Can someone with commit rights for doc add these to svn please?

Thanks in advance,
Lionel

History

#1 - 03/04/2011 02:07 PM - Lionel Orry

- Assignee changed from Miroslav Fidler to Jan Dolinár

Assigned to Honza since he made the most recent changes in these docs...

#2 - 03/05/2011 11:53 AM - Lionel Orry

- Status changed from New to Ready for QA

- Assignee changed from Jan Dolinár to Lionel Orry

- % Done changed from 0 to 100

Eventually I could commit it myself.

I'd be glad if someone checks that the modifs are ok and close this issue...

Thanks :)

#3 - 03/05/2011 11:57 AM - Lionel Orry

- Assignee changed from Lionel Orry to Jan Dolinár

#4 - 03/05/2011 07:09 PM - Jan Dolinár

- Status changed from Ready for QA to Approved

I checked the changes nad it all look fine (just as I expected :-)). I'm glad to hear you figured out the svn problem.
