Quote:Is it an install-option I missed?

No, it's not your fault, the templates are just missing from the package.

Quote:PS: I do not have the option in 'waxblood's message to copy from earlier version

I don't understand what you mean. If you have problems downloading the attachment in my post  
[http://www.ultimatepp.org/forum/index.php?t=msg&goto=9359&#msg\\_9359](http://www.ultimatepp.org/forum/index.php?t=msg&goto=9359&#msg_9359)

just download last upp for windows (which has the templates -although some are for windows-only apps) and copy them to uppsrc

Ciao,  
David
