I was wondering the same thing. I think you add from top down. For example:

```
CtrlLayout(*this, "This App");  
AddFrame(menu);  
AddFrame(TopSeparatorFrame());  
AddFrame(toolbar);  
AddFrame(statusbar);  
// add to each frame  
    menubar.Set(THISBACK(MainMenu));  
    .  
    .
```

Is this correct?
