luzr wrote on Mon, 05 December 2005 10:01Delete the directory (using OS Shell).

Should I add better support? It is so infrequent that I never felt the real need....

Hemmm... I spent 20 minutes just to find this topic
I made a main package just for test purposes and was not able to remove it.... Trying with right button, looking in menus ecc ecc.
I think that a simple menu entry "Delete main package" would not be bad.

Ciao

Max
