tvanriper wrote on Thu, 25 October 2007 23:08 For whatever it's worth, I'm a native speaker of English, and have been into message boards, chatting, and so on for over half of my 40 years of life, yet I didn't know what IIRC meant, either, until today.

Whenever someone used that abbreviation, I just sort of blipped by it, hoping I wouldn't wind up eventually saying something that didn't make sense.

I quote you entirely... even being native Italian speaker.

And, if I must tell it all, I was ignoring OTOH meaning too, just before entering UPP forums....
