Mindtraveller wrote on Sun, 11 November 2007 07:08mr\_ped, I agree with you completely. U++ has large amount of undocumented (or almost undocumented) features, controls, techniques, etc. It is vital to have U++ widely and user-friendly documented. That is why I started topic about documentation.

Factual note: Many people had a lot of suggestions about how documentation should look like. Very little actually contributed any useful docs...
