dr_jumba wrote on Mon, 27 February 2006 16:19Is it possible to include in source package the FreeBSD special Makefile with masu's patches? E.g. Makefile.FreeBSD

As for Build 602beta4 it was compiled good by me on FreeBSD with some minor changes applied from masu's port patches.

Well, I think we can upload it to sf.net download page.

Another option is to provide full binary there.
