bytefield wrote on Wed, 02 January 2008 06:28Will be nice if someone from sysop group will delete unused pages, created by spammers .
Mirek, have you given maintainer rights to phirox or someone else?

How?

 Or maybe want you to delete these pages.
However you done a nice job . Keep it on. Someday maybe you let C++ for php   .

Hehe, actually, I would rather, some day, recreated wiki in C++
