bytefield wrote on Wed, 02 January 2008 06:28Will be nice if someone from sysop group will delete unused pages, created by spammers .
Mirek, have you given maintainer rights to phirox or someone else? Or maybe want you to delete these pages.
However you done a nice job . Keep it on. Someday maybe you let C++ for php .

OK, "phirox" has rights

Phirox, feel free to give rights to trusted people as needed.

Mirek
