" Espoo, Finland and Oslo, Norway , 28 January - 2008 - Nokia and Trolltech ASA today announced that they have entered into an agreement that Nokia will make a public voluntary tender offer to acquire Trolltech ([www.trolltech.com](http://www.trolltech.com)), a company headquartered in Oslo, Norway and publicly listed on the Oslo Stock Exchange. Trolltech is a recognized software provider with world-class software development platforms and frameworks. In addition to the key software assets, its talented team will play an important role in accelerating the implementation of

It`s hard to say whether it`s good or bad news.

Depends on for whom

IMO, good news for Qt. Maybe bad news for KDE...
