In file ArrayCtrl.h :

```
bool GetSortDescending() const {
```

Should be :

```
bool GetSortDescending() const { return sortcolumndescending; }
```

In file BlueSkin.cpp :

```
void InstallBlueMenuBar()
{
    MenuBar::Style& s = MenuBar::StyleDefault().Write();
    DDUMP((void *)s.standard);
    DDUMP((void *)s.Standard().standard);
    s = s.Standard();
    DDUMP((void *)s.standard);
```

Should be :

```
void InstallBlueMenuBar()
{
    MenuBar::Style& s = MenuBar::StyleDefault().Write();
    // DDUMP((void *)s.standard);
    // DDUMP((void *)s.Standard().standard);
    s = s.Standard();
    // DDUMP((void *)s.standard);
```

Ciao

Max
