sergeynikitin wrote on Fri, 08 February 2008 00:22And 1 small question. Where I can found info about creating Help System for user program (on TheIDE UPP)?

Have a look at Topic example from reference(guess that is what you want, having a help with your application).

See this image. Sorry have no time to explain. Hope an image make more than a 100 words

For a better example see how ide help is implemented.
