emr84 wrote on Fri, 04 April 2008 00:41Hi,

Can add support for pcx image files?
Well, you could help a lot in this matter by finding an open-source BSD licensed or compatible
PCX library. It should be lightweight (no additional dependencies), feature-complete and bug-free.

PCX is a pretty dead format, so effort to write a new lib for it is not justified IMO, but using an
already present lib to allow Image to handle the format would be easy.
