fudadmin wrote on Fri, 10 March 2006 02:17Ok, I've created a topic file for this and tried to upload it via uvs2 (uppbox) but it started pumping 5.7 MB, so I tried to cancel. What do I need to change in uvs2 just to upload e.g 1 file?

Inside the IDEOverview file, there is "Reference examples" title and single sentence. Is that correct?
