thawkins wrote on Mon, 28 November 2005 09:11Oops sorry, im very new to U++, I still hav'nt found all the bits and pieces.

You do not need to be sorry. I had offered wiki on upp.sourceforge.net mailing lists and started doing it. But we decided to launch the forums first. As you can see it's happening..

Also if you are new, you can find other useful information there:

http://sourceforge.net/mailarchive/forum.php?forum_id=36165

Once again, enthusiasm and ideas are most welcome!

Arijus
