alex100 wrote on Sun, 06 July 2008 13:02But, does u++ just deals with UTF-8? Is UTF-8 the default charset when noting is configured ?
1) It does
2) Sorry, I don`t remember exactly. May be not, default could be EN-US, or something like that.
Besides, calling 1 operator at program start doesn`t look like a great deal of configuring. Does it?
