Subject: Re: Path including non-English character, buglog and usrlog file cannot be deleted Posted by mirek on Thu, 28 Aug 2008 13:27:48 GMT View Forum Message <> Reply to Message

I do not know, I still do not like it

The file is created using:

hfile = CreateFile(ToSysChrSet(filename),

therefore I would expect the correct solution to be

if(!FileDelete(ToSysChrSet(filename))) {

Would that work for you?

Mirek
