fudadmin wrote on Sun, 19 March 2006 01:17Btw, this-

w1.Open(NULL);

doesn't work either despite the
  http://upp.sourceforge.net/src$CtrlCore$TopWindow$en-us.html

Just checked, it does, however above leads to ambiguity, you have to use

w1.Open((TopWindow*)NULL);

which is the same to what OpenMain does
