I've found strange bug.
To view it add to project file a.h and then open it

```
[a.h]
/*
: operator
*/
```

and the IDE hung

platform: winxp
upp: upp-mingw-2008.1.exe size=16714249 md5=7ddb302979ca94c28eaf635a4c35e605
