Subject: How to zoom images? [PARTLY SOLVED...] Posted by fudadmin on Mon, 20 Mar 2006 14:25:19 GMT View Forum Message <> Reply to Message

How to zoom images? I've tried img1.RatioSize(Size(10,10)); //no effect img1.FitSize(Size(10,10)); //no effect

and img1.SetSize(Size(10,10)); //not a member of 'Image'?
