Hello luzr

Thank you for considering this!

I have used FindFile because of the ff.GetMode() & 0111. Please do not forget to go to FileSel.cpp and in the definition remove "= false" from:

Image GetFileIcon(const char *path, bool dir, bool force = false)

Also I would like you to consider the fix in FileSel.cpp in

http://www.ultimatepp.org/forum/index.php?t=msg&goto=18542&#msg_18542

Best regards

Koldo
