I made this program "Margin Spreadsheet" by U++, and just for fun.
You can distribute or modify this program(including source code) for any purpose without my permission.
Just feel free to use it.

Thanks to Ultimate++.

Execute File:

<http://www.mediafire.com/?rz11jwdycjj>

Source Code:

<http://www.mediafire.com/?gienb3mm14y>

If the program violated your copyright, please let me know and I will as soon as possible to remove the file.

My E-mail is:

odyssey@ms69.url.com.tw
