cocob wrote on Fri, 07 November 2008 16:43l have always some problems with GLCtrl on windows vista

Its ok on Linux32 Linux64 ans winXP

but on vista in all build mode (excepted debug) with MSC9 and MINGW the refresh() call seems to not work properly.

Unfortunately i didn't managed to create a small test-case.

cocob

You can always create a huge one
