When I try to subscribe to whole Category of Forum (For example Community) Link under orange square is illegal. It point to RSS of whole forum. Therefore I must add to address of feed in RSS reader &cat=8&.

So instead of

<http://www.ultimatepp.org/forum/rdf.php?mode=m&l=1&basic=1>
(link under orange square)

need to write

<http://www.ultimatepp.org/forum/rdf.php?mode=m&l=1&basic=1&cat=8&>

This small error. And I learned how to correct it. But will be happy if it gets fixed.
