luzr wrote on Mon, 06 February 2006 10:34Good idea. I will add that together with "Rename" and "Delete" (but for the moment, just to ToDo.... We are going to release 602 today or soon).

Mirek

P.S.: If you want, you can check my ToDo list in the root of uppsrc. Sorry for some czech entries

Just to remind you that it would very usuful. And to say that I can nearly understand your chech entries...
