Subject: Re: State of "button"
Posted by cbpporter on Fri, 20 Mar 2009 15:42:26 GMT

I see you applied the patches. Well if it's final, I'm quite happy with both ToolButton and ButtonOption. Future additions only on a by need basis. Still need to investigate that tab key behavior, but I'll ignore it for now.

cbpporter Issue #004: ButtonOption is useless
Fixed
