Please, next time, more info....

Anyway, if you do this:

```
sql.Execute("insert into FILES values (432,2,2,3,\"section-3.pdf\",\"1.2 MB\",\"  
http://cisclub.com/forum/attachment.php?attachmentid=4256&am p;d=123888316\7\",\"\")");
```

then the problem is that ? is a placeholder for actual parameter.
