
Subject: When ArrayCtrl is Embedded into TabCtrl, AutoHideSb() will be fail
Posted by [kasome](#) on Sun, 12 Apr 2009 09:18:45 GMT

[View Forum Message](#) <> [Reply to Message](#)

as title, when ArrayCtrl is embedded into TabCtrl, i can't use AutoHideSb(), because the vertical scrollbar will fail,the test code is in the additional file.

the result program is like that:

But when i comment this code

```
// _array.AutoHideSb(true);
```

everything is fine.

Could someone know how to solve this problem? Thanks a lot.
