But it seems not working:

```
SetLanguage(LNG_('P', 'T', 'P', 'T'));  
Date dtData=GetSysDate();  
String strData=AsString(dtData);  
Exclamation(strData);
```

This shows 5/2/2009 but in the Portuguese language countries dates are presented liike this
2/5/2009 (DD/MM/YYYY)

Thanks

Alex
