Mindtraveller wrote on Mon, 04 May 2009 02:24: Strange. I've just checked again with Ctrl pressing BEFORE dragging - and it didn't work!

Strange. Maybe the file is somehow specific?

P.S. It looks like TheIDE has vast sea of comfortable features less documented. For example, I've just discovered Shift+Tab - a wonderful thing to align blocks! As always U++ along with TheIDE is full of surprises

Actually, this one is documented...

[http://www.ultimatepp.org/app\\$ide\\$Keys\\$en-us.html](http://www.ultimatepp.org/app$ide$Keys$en-us.html)

Anyway, I guess there is time to write some "tips" document of TheIDE.

Mirek
