In my opinion, it is very annoying the authoritarian approach of U++ to user tastes, when some worldwide used features are exluded...

Ok, ok... Puttin' to ToDo...

Mirek

Sorry about that... There's no rush. But I imagine how U++ users-programmers are frustrated when they waste time and they can't find what they had been used to...

Added as "EditField::MaxChars".

(Available with next dev release...
