Ah finally, I think this is a good idea.

btw. here is the correct link: [http://sourceforge.net/tracker/?atid=606223&group\\_id=93970](http://sourceforge.net/tracker/?atid=606223&group_id=93970)

edit:

I think that link should be added to the link bar on this homepage, otherwise nobody will find it
