kodos wrote on Tue, 04 August 2009 22:51Ah finally, I think this is a good idea.

btw. here is the correct link: http://sourceforge.net/tracker/?atid=606223&group_id=939 70

edit:
I think that link should be added to the link bar on this homepage, otherwise nobody will find it

Nice, then we can try this?
But what about google code?
