OS: WindowsXP SP3 32bit
Compiler: Microsoft (R) 32-bit C/C++ Optimizing Compiler Version 14.00.50727.762 for 80x86

I release 1607 the situation is the same.
??? In designer ancors don't work any more while resize. Why?
They work in SVN.643

Thanks luzr.
But MemoryFreeThread not defined in all versions of build
