koldo wrote on Wed, 25 November 2009 11:12Hello all

I would like to submit periodically .deb files for 32 bit platforms. I think it is very interesting.

Unfortunately I do not know how to do it.

Could somebody lend me some script file or something similar to prepare .deb file ?.

Best regards

Koldo

In svn repository you can find script files in direcotry "linux\_scripts".

Before of all read file "Readme"!

Ion Lupascu.
