mr_ped wrote on Wed, 12 April 2006 03:10"Core/BlockStream.cpp" .. which version should I look for? 604-dev1 is probably old I suppose?

(I'm not on that subversioning system of yours and I'm not going to join that, sorry, I will wait till you switch to SVN).

Just wait for another dev release, today or tommorow....
