kevinle10@gmail.com wrote on Thu, 13 April 2006 20:19: Neither can I. OK, my mistake. I was searching for something, then I landed in some posting in this category. Without knowing better, I clicked on the "New topic" without realizing I'm already in this category.

My question remains

No problem. Then we can move it.

P.S. Mirek, try to move items at night and run "forum consistency" etc. (which makes forums offline) or better report them to me (otherwise searching is not working properly).
