unodgs wrote on Wed, 10 February 2010 20:27 So you know the feeling now.. Welcome to U++ world

Oh yes !

I am porting a complex Excel VBA application to U++ in days

The program is much faster, more solid, nicer look, all in a standalone .exe, and it has less code...

.

Well, the people in my company is amazing, they simply cannot believe it !. Code is simpler than Basic !
