Mindtraveller wrote on Tue, 09 February 2010 23:37: Did anyone try to use MTAlt? Or it is useless for everyone? Or should I post detailed help about these classes?

P.S. I'd like to update a file in the SVN: /bazaar/MtAlt/MtAlt.h. Please do it someone who has access to bazaar sources.

Hello Pavel

If you think your work is useful, follow developing it, improving the example and adding help.

Sometimes people is shy and do not give you feedback so you finally think nobody is using it.
