Hello everyone! Thanks for the answers!

I think, it would be ideal if the user could click the "RU" at top of page, go to the main Russian page, save it to his bookmarks and forget about switching the language.

Also, if the article is not translated yet, the English version of the article can be displayed.

What do you think?

Just my thoughts. Sorry, if something wrong. Best regards!
Anton.

P.S. I have translated Index-page, looking for another...
