Subject: Re: Open file in already opened app instead of launching a second copy Posted by dolik.rce on Tue, 23 Mar 2010 22:34:45 GMT View Forum Message <> Reply to Message

Hi Max,

Simple IPC class I wrote some time ago could solve your problem. There were some problems I don't have time to fix right now... But most of them are in the both way version and your problem can be solved in simple client-server mode. If you are adventurous enough, have a look in this thread

Regards, Honza
