Hi all,

I corrected a bit the French index page translation, and I added a few French translations. Not had time to do more.

I provide them here in two forms:

a patch in unified diff format (uppweb\_fr.diff.gz):

```
cd <path_to_uppweb>
```

```
gunzip uppweb_fr.diff.gz
```

```
patch -p0 < uppweb_fr.diff
```

an archive containing the new files and the modified ones (uppweb\_fr.tar.gz) in the next post.

regards,

Lionel
