thanks for uploading the french pages. But it seems you forgot to add the .tppi files, and as a result, some pages are still shown in English... I believe the following are missing :

www.tpp/comparison$fr-fr.tppi
www.tpp/reference$fr-fr.tppi
www.tpp/examples$fr-fr.tppi

Can you have a look ?

Thanks a lot,
Lionel
Hello Chickenk

I think that the problem was in the original index$fr-fr.tpp file. Some links go to french version but others to english version.

I will relink all to available french versions.
